Fun Finder Group Project

Let's make a site that for San Diegan locals and visitors to find fun things to do in San Diego.

- As a user, I can go to the website and get a compelling experience of what the website is all about.
- As a user, I want to be able to view featured events that are happening in the local community.
- As a user, I want to be able to view events by date order.
- As a user, I want to be able to search events by tags
- As a signed in user, I want to be able to post events that are happening in the local community.
- As a signed in user, I want to be able to follow other users.
- As a signed in user, I want to be able to upload photos connected to an event.
- As a signed in user, I want to be able to click an icon to show that I am coming to an event.
- As a user, I want to be able to see a map that shows me where an event is being held
- As a signed in user, I want to be able to save the events I am attending into my Google calendar
